The Intelligent Choice

SR lash eye terminal

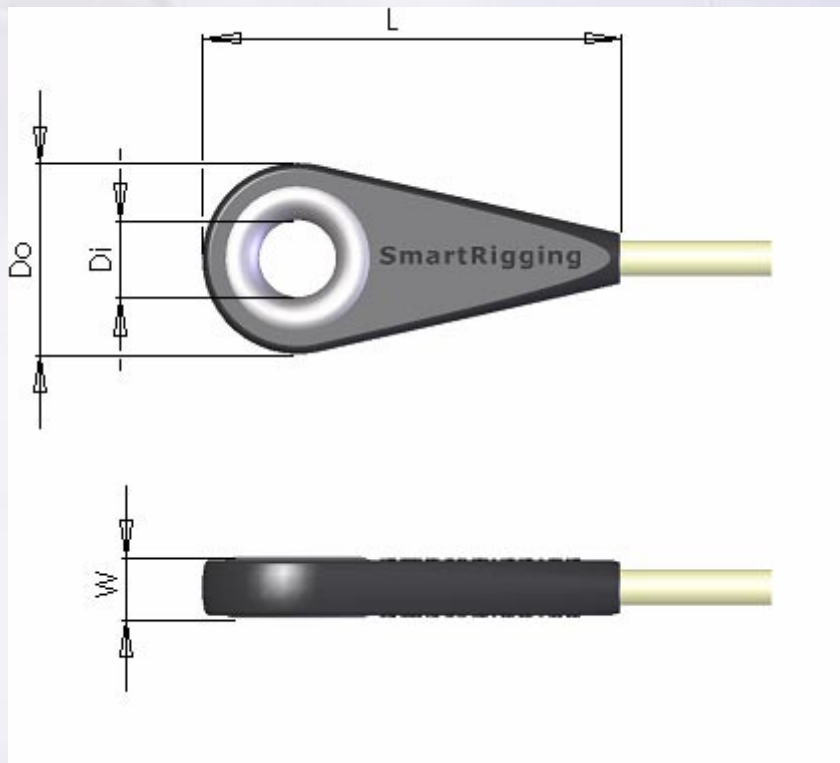

www.smartrigging.com • info@smartrigging.com

This terminal is totally cast in a sturdy Poly Urethane (PU) coating, which assures a long life span and water tightness.

Our lash eyes are engineered and machined in grade 5 titanium.

This ensures a light weight and small terminal with lots of space for your lashing.

Our Lash eye is equipped with a Smart bumper to protect the terminal from chafe.

| SR Terminal | Break load [Tonne] | L [mm] | Do [m] | Di [mm] | W [mm] |
|-------------|--------------------|--------|--------|---------|--------|
| SR 3,5 Ls | 3.5 | 76.0 | 36.0 | 12.7 | 11.8 |
| SR 7.5 Ls | 7.5 | 104.0 | 47.0 | 16.0 | 14.6 |
| SR 15 Ls | 15.0 | 136.0 | 63.0 | 25.0 | 20.0 |
| SR 25 Ls | 25.0 | 174.0 | 78.0 | 30.0 | 25.0 |
